

FBLD

Fragment-Based Lead Discovery Conference 2014

**21st-24th September 2014, The Hilton Hotel,
Basel, Switzerland**

REGISTRATION IS NOW OPEN

Sunday 21st	Arrival, tutorial, vendor workshops, opening reception
Monday 22nd	New methods, Membrane Proteins
Tuesday 23rd	Chemistry, Computation
Wednesday 24th	Success Stories

Invited Speakers – see website for full program

Harren Jhoti – Astex
Derek Lowe – Vertex
Stefan Duhr – Nanotemper
Dario Neri – ETH Zürich
Rob Cooke – Heptares
Seva Katritch – Scripps
Jean-Louis Reymond – University Bern
Jennifer Borthwick – GlaxoSmithKline
Terry Crawford – Genentech
Lee Walmsley – Vernalis

For more information, including details on sponsorship and exhibitor opportunities, please visit:

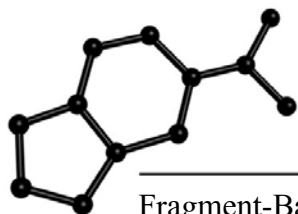

<http://www.fbld2014.org>

Organising Committee:

Michael Hennig (Roche) and Wolfgang Jahnke (Novartis)

Rod Hubbard (Vernalis & University of York)

with advice from: Tony Giannetti (Genentech), Dan Erlanson (Carmot Therapeutics), Nino Campobasso (GlaxoSmithKline)

FBLD

Fragment-Based Lead Discovery Conference 2014

Call for Abstracts

FBLD 2014 will be held in Basel, Switzerland, from September 21st – 24th. The event is the fifth in a highly successful series of independent fragment-focused conferences previously held in San Diego (2008), York (2009), Philadelphia (2010) and San Francisco (2012).

Fragment-based methods are demonstrating success in both drug discovery and in identifying tool compounds for chemical biology. The 2014 meeting highlights the current focus areas of fragment-based drug discovery. Presentations from academia and industry will show the interplay between different scientific areas which drive the fragment-based drug discovery process.

Talks and posters are invited for consideration by the organising committee. Please submit a one-page abstract to fbld-conference@york.ac.uk or for more information visit www.fbld2014.org.

**The general call for oral abstracts is now closed. We are holding a few slots for exceptional late-breaking stories
Deadline for Poster Abstract Submission: 1st September**

Sponsorship and Exhibitors:

Information on sponsorship and exhibitor opportunities can be obtained by contacting: fbld-conference@york.ac.uk
